

NINGBO UNIVERSITY

POSTGRADUATE PROGRAMS

Postgraduate Programs in English

Postgraduate -Business Administration	
Qualification Awarded	Master's Degree
Faculty	Business School
Discipline	Science of Business Administration
Specialty	MBA
Teaching Language	English
Duration of Study	2.5 years (1.5 years course teaching + 1 year dissertation)
Academic Requirements	Bachelor's degree
Chinese Language Skills Required	No
Tuition Fees Per Year	65000 (CNY)/2.5 years
Applicable for Scholarship	Yes
Type of Scholarship	Chinese government scholarship/ Zhejiang Government Scholarship/ Ningbo Government Scholarship
Program Description	The program pursues to train senior managerial professionals equipped with sound business management knowledge and capabilities as well as an international vision and pioneering spirit.
Entry Requirements	<ol style="list-style-type: none">1. Application Form2. Image of passport ID3. University Academic Transcript and Awards received

Postgraduate -Port and Shipping Technology and Management Engineering	
Qualification Awarded	Master's Degree
Faculty	Faculty of Maritime & Transportation
Discipline	Transportation Engineering
Specialty	Port and Shipping Technology and Management Engineering
Teaching Language	English
Duration of Study	3 years
Academic Requirements	Bachelor's degree
Tuition Fees Per Year	20000 CNY

Applicable for Scholarship	Yes
Type of Scholarship	Chinese Government Scholarship/ Zhejiang Government Scholarship/ Ningbo Government Scholarship/ The Faculty scholarship
Program Description	<p>Port and Shipping Technology and Management Engineering are the sub-disciplines of Transportation Engineering which is the key discipline of Zhejiang province. The subject's construction is on basic of the development of Ningbo port and navigation.</p> <p>The research fields for graduated students include:</p> <ol style="list-style-type: none"> 1. The modern shipping and transportation technology 2. The modern port management engineering 3. The international shipping management engineering 4. The maritime traffic engineering 5. The port transportation system planning and management <p>The core courses include Port and Shipping Information Management System, Marine Traffic Engineering, Shipping Law and Regulations, Port Economics, Systems Engineering for Shipping, Ship Theory, Project Management, Shipping Business, Decision Theory and Methods etc.</p> <p>The students with Master degree are able to work in the management departments of ports, navigation, transportation, maritime, and ship etc. as well as the government organizations and institutions, and enterprises engaged in education, research, design, manufacture etc.</p>
Entry Requirements	<ol style="list-style-type: none"> 1. Application Form 2. Image of passport ID 3. Bachelor's degree diploma 4. Bachelor transcripts

Postgraduate -Aquaculture Program	
Qualification Awarded	Master's Degree
Faculty	Faculty of Marine Sciences
Discipline	Agriculture
Specialty	Aquaculture
Teaching Language	English
Duration of Study	3 years
Academic Requirements	Bachelor's degree
Chinese Language Skills Required	No
Tuition Fees Per Year	20000 CNY

Applicable for Scholarship	Yes
Type of Scholarship	Chinese government scholarship/ Zhejiang Government Scholarship/ Ningbo Government Scholarship
Program Description	Aquaculture programs, administrated by School of Marine Science, offer one of oldest graduate-level programs in Ningbo University. Approved by State Council Academic Degrees Committee, the Aquaculture program has started offering Master degree since 1998, and the Doctor of Philosophy degree since 2007. School of Marine Science provides state of the art facilities to support the research and graduate studies (http://haiyang.nbu.edu.cn/Research/lab/).
Entry Requirements	<ol style="list-style-type: none"> 1. Application Form 2. Image of passport ID 3. Bachelor's degree diploma 4. Bachelor transcripts

Postgraduate -Fishery Resources Program

Qualification Awarded	Master's Degree
Faculty	Faculty of Marine Sciences
Discipline	Agriculture
Specialty	Fishery Resources
Teaching Language	English
Duration of Study	3 years
Academic Requirements	Bachelor's degree
Chinese Language Skills Required	No
Tuition Fees Per Year	20000 CNY
Applicable for Scholarship	Yes
Type of Scholarship	Chinese government scholarship/ Zhejiang Government Scholarship/ Ningbo Government Scholarship
Program Description	The Master degree in Fishery Resources (FR), approved by State Council Academic Degrees Committee, is a second-class discipline for doctoral degree under the first-class discipline of Aquaculture at School of Marine Science in Ningbo University.
Entry Requirements	<ol style="list-style-type: none"> 1. Application Form 2. Image of passport ID 3. Bachelor's degree diploma 4. Bachelor transcripts

Postgraduate - Mechanical Manufacturing & Automation

Qualification Awarded	Master's Degree
Faculty	Faculty of Mechanical Engineering & Mechanics

Discipline	Engineering
Specialty	Mechanical Manufacturing & Automation
Teaching Language	English
Duration of Study	2.5 years
Academic Requirements	Bachelor's degree
Chinese Language Skills Required	No
Tuition Fees Per Year	30000 CNY
Applicable for Scholarship	Yes
Type of Scholarship	Chinese government scholarship/ Zhejiang Government Scholarship/ Ningbo Government Scholarship
Program Description	<p>Mechanical Manufacturing & Automation is the broadest of all the engineering disciplines and graduates find employment in every sector of industry.</p> <p>The program provides an excellent foundation in engineering science and manufacture and automation, also offers opportunities to develop specialist knowledge in areas such as agile manufacturing system (AMS), production planning & control and digital manufacturing technology.</p>
Entry Requirements	<ol style="list-style-type: none"> 1. Application Form 2. Image of passport ID 3. University Academic Transcript and Awards received 4. IELTS of 6.0 (academic, all items 6) or equivalent (for bachelor holders graduated from non-English taught programs at university) 5. A bachelor qualification in a related field; or a bachelor qualification in an unrelated field AND at least 3 years' work experience.

Mechatronic Engineering	
Qualification Awarded	Master's Degree
Faculty	Faculty of Mechanical Engineering & Mechanics
Discipline	Engineering
Specialty	Mechatronic Engineering
Teaching Language	English
Duration of Study	2.5 years
Academic Requirements	Bachelor's degree
Chinese Language Skills Required	No
Tuition Fees Per Year	30000 CNY
Applicable for Scholarship	Yes
Type of Scholarship	Chinese government scholarship/ Zhejiang Government Scholarship/ Ningbo Government Scholarship
Program Description	Mechatronic engineering is a professional discipline that

	<p>combines mechanical, electrical engineering and control engineering with computer technology.</p> <p>This M.Sc. provides advanced training and enhances your skills in the specialized area of mechanical, electrical engineering and control engineering. The course aims to provide you with a comprehensive coverage of the skills required by an engineer working in these areas. The program provides an excellent basis for engineers wishing to update their knowledge, students wishing to embark a career in advance research and development, or wishing to enhance their training and qualifications.</p>
Entry Requirements	<ol style="list-style-type: none"> 1. Application Form 2. Image of passport ID 3. University Academic Transcript and Awards received 4. IELTS of 6.0 (academic, all items 6) or equivalent (for bachelor holders graduated from non-English taught programs at university) 5. A bachelor qualification in a related field; or a bachelor qualification in an unrelated field AND at least 3 years' work experience.

Postgraduate -Materials Engineering Program	
Qualification Awarded	Master's Degree
Faculty	Faculty of Materials Science and Chemical Engineering
Discipline	Materials science and Engineering
Specialty	Materials Engineering
Teaching Language	English/ Chinese
Duration of Study	3 years
Academic Requirements	Bachelor's degree
Chinese Language Skills Required	No
Tuition Fees Per Year	20000 CNY
Applicable for Scholarship	Yes
Type of Scholarship	Chinese government scholarship/ Zhejiang Government Scholarship/ Ningbo Government Scholarship
Program Description	<p>The program of materials engineering (ME) covers five different areas in material science and engineering, including polymer & composite materials, membrane materials & surface engineering, inorganic functional materials, bio-medicine materials and environmental energy materials. The program aims to provide the</p>

	candidates with intense training toward material synthesis and processing. Polymers and inorganic functional materials are two main topics which are covered among all the courses.
Entry Requirements	<ol style="list-style-type: none"> 1. Application Form 2. Image of passport ID 3. Bachelor's degree diploma 4. Bachelor transcripts

Postgraduate-Juris Master	
Qualification Awarded	Master's Degree
Faculty	Faculty of Law
Discipline	Law
Specialty	Constitutional and Administrative Law
Teaching Language	English
Duration of Study	2.5 years
Academic Requirements	Bachelor's degree
Chinese Language Skills Required	No
Tuition Fees Per Year	20000 CNY
Applicable for Scholarship	Yes
Type of Scholarship	Chinese government scholarship/ Zhejiang Government Scholarship/ Ningbo Government Scholarship
Program Description	The Juris Master, approved by State Council Academic Degrees Committee, is a second-class discipline for Master degree under the first-class discipline of Law at Ningbo University.
Entry Requirements	<ol style="list-style-type: none"> 1. Application Form 2. Image of passport ID 3. Bachelor's degree diploma 4. Transcripts

Postgraduate-Juris Master	
Qualification Awarded	Master's Degree
Faculty	Faculty of Law
Discipline	Law
Specialty	Civil Law
Teaching Language	English
Duration of Study	2.5 years
Academic Requirements	Bachelor's degree
Chinese Language Skills Required	No
Tuition Fees Per Year	20000 CNY

Applicable for Scholarship	Yes
Type of Scholarship	Chinese government scholarship/ Zhejiang Government Scholarship/ Ningbo Government Scholarship
Program Description	The Juris Master, approved by State Council Academic Degrees Committee, is a second-class discipline for Master degree under the first-class discipline of Law at Ningbo University.
Entry Requirements	<ol style="list-style-type: none"> 1. Application Form 2. Image of passport ID 3. Bachelor's degree diploma 4. Transcripts

Postgraduate-Juris Master	
Qualification Awarded	Master's Degree
Faculty	Faculty of Law
Discipline	Law
Specialty	Environment Law
Teaching Language	English
Duration of Study	2.5 years
Academic Requirements	Bachelor's degree
Chinese Language Skills Required	No
Tuition Fees Per Year	20000 CNY
Applicable for Scholarship	Yes
Type of Scholarship	Chinese government scholarship/ Zhejiang Government Scholarship/ Ningbo Government Scholarship
Program Description	The Juris Master, approved by State Council Academic Degrees Committee, is a second-class discipline for Master degree under the first-class discipline of Law at Ningbo University.
Entry Requirements	1,Application Form; 2,Image of passport ID; 3,Bachelor degree diploma; 4,Transcript

Postgraduate-Juris Master	
Qualification Awarded	Master's Degree
Faculty	Faculty of Law
Discipline	Law
Specialty	International Law
Teaching Language	English
Duration of Study	2.5 years
Academic Requirements	Bachelor's degree

Chinese Language Skills Required	No
Tuition Fees Per Year	20000 CNY
Applicable for Scholarship	Yes
Type of Scholarship	Chinese government scholarship/ Zhejiang Government Scholarship/ Ningbo Government Scholarship
Program Description	The Juris Master, approved by State Council Academic Degrees Committee, is a second-class discipline for Master degree under the first-class discipline of Law at Ningbo University.
Entry Requirements	<ol style="list-style-type: none"> 1. Application Form 2. Image of passport ID 3. Bachelor's degree diploma 4. Transcripts

Communication and Information Systems

Qualification Awarded	Master's Degree
Faculty	The Faculty of Electrical Engineering and Computer Science
Discipline	Engineering
Specialty	Communication and Information Systems
Teaching Language	English
Duration of Study	3 years
Academic Requirements	Bachelor's degree
Tuition Fees Per Year	22000 CNY
Applicable for Scholarship	Yes
Type of Scholarship	Zhejiang Government Scholarship/ Ningbo Government Scholarship
Program Description	<p>Major Curricula: Applied Stochastic Process, Modern Signal Processing, Digital Communication, Theory of Information and coding.</p> <p>Elective Curricula: Advanced RF Circuit Design, Modern Communication Technology, Wireless Sensor Networks, Video Processing theory and Applications, Optimization Methods for Information Science.</p>
Entry Requirements	<ol style="list-style-type: none"> 1. Application Form 2. Image of passport ID 3. Bachelor's Degree 4. Transcripts 5. TEF B2

Qualification Awarded	Master's Degree of the University of Canberra, Australia
Faculty	Business School
Discipline	Science of Business Administration
Specialty	MBA
Teaching Language	English
Duration of Study	2 years
Academic Requirements	Bachelor's degree
Chinese Language Skills Required	No
Tuition Fees Per Year	60000 CNY
Applicable for Scholarship	Yes
Type of Scholarship	Zhejiang Government Scholarship/ Ningbo Government Scholarship
Program Description	The program jointly run by Ningbo University and the University of Canberra Australia pursues to train senior managerial professionals equipped with sound business management knowledge and capabilities as well as an international vision and pioneering spirit. It aims at fostering a cradle of Ningbo managerial professionals and serving the economic development, which has been well recognized in the society.
Entry Requirements	<ol style="list-style-type: none"> 1. Application Form 2. Image of passport ID 3. University Academic Transcript and Awards received 4. IELTS of 6.0 (academic, all items 6) or equivalent (for bachelor holders graduated from non-English taught programs at university) 5. A bachelor qualification in a related field; or a bachelor qualification in an unrelated field AND at least 3 years' work experience.

Postgraduate Programs in French

Master Program in Tourism Management	
Qualification Awarded	Master of Tourism Management
Faculty	Sino-European Institute of Tourism and Culture
Discipline	Management
Specialty	Tourism Management
Teaching Language	French

Duration of Study	3 years
Academic Requirements	Bachelor's degree
Tuition Fees Per Year	25000 CNY
Applicable for Scholarship	Yes
Type of Scholarship	Zhejiang Government Scholarship/ Ningbo Government Scholarship
Program Description	<p>Une formation théorique générale complétée par des enseignements spécialisés sur les enjeux du tourisme et des loisirs au service des territoires et des sociétés. De par son évolution rapide et la multiplicité des acteurs qu'il mobilise, le tourisme a besoin de cadres capables d'analyser les évolutions sociales et spatiales et d'accompagner les territoires et leurs acteurs. Une formation pluridisciplinaire (management et gestion, tourisme, langues, sciences sociales), universitaire (mémoire de recherche) et professionnelle (un stage de 4 mois ou plus en M2 ou M3, conférences professionnelles). L'étudiant est acteur de sa formation. Son cursus antérieur et son projet professionnel sont au centre de son parcours de formation. Stages et mémoire sont autant de moments de discussions et de spécialisation progressive.</p>
Entry Requirements	<ol style="list-style-type: none"> 1. Application Form 2. Image of passport ID 3. Bachelor's Degree 4. Transcripts 5. TEF B2

PhD Programs taught in English

Doctoral Aquaculture Program	
Qualification Awarded	PhD
Faculty	Faculty of Marine Sciences
Discipline	Agriculture
Specialty	Aquaculture
Teaching Language	English
Duration of Study	3-4 years
Academic Requirements	Master's degree
Chinese Language Skills Required	No
Tuition Fees Per Year	20000 CNY

Applicable for Scholarship	Yes
Type of Scholarship	Chinese government scholarship/ Zhejiang Government Scholarship/ Ningbo Government Scholarship
Program Description	The Aquaculture program at Ningbo University (NBU), begun in 1958 before being merged into NBU from another college, is one of oldest aquaculture programs in China. Currently, Department of Aquaculture in School of Marine Science in NBU offers exciting opportunities for students interested in Aquaculture and applied research in aquatic systems at both undergraduate and post-graduate level. Approved by State Council Academic Degrees Committee, the Aquaculture program has offered Master degree since 1998, and the Doctor of Philosophy degree since 2007.
Entry Requirements	<ol style="list-style-type: none"> 1. Application Form 2. Image of passport ID 3. Master degree diploma 4. Postgraduate transcripts

Doctoral Fishery Resources Program

Qualification Awarded	PhD
Faculty	Faculty of Marine Sciences
Discipline	Agriculture
Specialty	Fishery Resources
Teaching Language	English
Duration of Study	3-4 years
Academic Requirements	Master's degree
Chinese Language Skills Required	No
Tuition Fees Per Year	20000 CNY
Applicable for Scholarship	Yes
Type of Scholarship	Chinese government scholarship/ Zhejiang Government Scholarship/ Ningbo Government Scholarship
Program Description	The PhD degree in Fishery Resources (FR), approved by State Council Academic Degrees Committee, is a second-class discipline for doctoral degree under the first-class discipline of Aquaculture at Ningbo University.
Entry Requirements	<ol style="list-style-type: none"> 1. Application Form 2. Image of passport ID 3. Master degree diploma

4. Postgraduate transcripts

Doctoral Fishery Economic Management Program	
Qualification Awarded	PhD
Faculty	Law School
Discipline	Law
Specialty	Fishery Economic Management
Teaching Language	Chinese
Duration of Study	3-4 years
Academic Requirements	Master's degree
Chinese Language Skills Required	No
Tuition Fees Per Year	20000 CNY
Applicable for Scholarship	Yes
Type of Scholarship	Chinese government scholarship/ Zhejiang Government Scholarship/ Ningbo Government Scholarship
Program Description	The PhD degree in Fishery Economic Management, approved by State Council Academic Degrees Committee, is a second-class discipline for doctoral degree under the first-class discipline of Law at Ningbo University.
