

## NINGBO UNIVERSITY

### UNDERGRADUATE PROGRAMS

#### Undergraduate Programs in English

Financial Engineering	
Qualification Awarded	Bachelor's Degree
Faculty	Faculty of Science
Discipline	Economics
Specialty	Financial Engineering
Teaching Language	English
Duration of Study	4 years
Academic Requirements	Ordinary high school education/ A level/ IB diploma/ SAT
Chinese Language Skills Required	No
Tuition Fees Per Year	18000 CNY
Applicable for Scholarship	Yes
Type of Scholarship	Zhejiang Government Scholarship; Ningbo Government Scholarship; Ningbo University Scholarship
Program Description	This program trains the student to become a professional worker with basic financial literacy, strong ability for statistical applications, good skills on computer operation and software programming, and outstanding ability to analyze and solve problems. After graduating from this major, the student will have a strong language advantage and be familiar with Chinese culture. He/she can do the job on financial practice and applied research, such as product developing, risk management, decision-making, investment and financial for financial institutions such as banks, insurance, securities, companies such as foreign trade, logistics, business and other institutions, and the relevant government departments and research institutions.
Entry Requirements	<ol style="list-style-type: none"><li>1. Application Form</li><li>2. Image of passport ID</li><li>3. High School diploma</li><li>4. High school transcript</li></ol>

Qualification Awarded	Bachelor's Degree
Faculty	Law School
Specialty	Law
Teaching Language	English
Duration of Study	4 years
Academic Requirements	Ordinary high school education/ A level/ IB diploma/ SAT
Chinese Language Skills Required	No
Tuition Fees Per Year	18000 CNY
Applicable for Scholarship	Yes
Type of Scholarship	Zhejiang Government Scholarship/ Ningbo Government Scholarship/ Ningbo University Scholarship
Entry Requirements	<ol style="list-style-type: none"> <li>1. Application Form</li> <li>2. Image of passport ID</li> <li>3. High School diploma</li> <li>4. High school transcripts</li> </ol>

#### Undergraduate-Microelectronics Science and Engineering

Qualification Awarded	Bachelor's Degree
Faculty	Faculty of Science
Discipline	Science
Specialty	Microelectronics Science and Engineering
Teaching Language	English
Duration of Study	4 years
Academic Requirements	Ordinary high school education/ A level/ IB diploma/ SAT
Chinese Language Skills Required	No
Tuition Fees Per Year	22000 CNY
Applicable for Scholarship	Yes
Type of Scholarship	Zhejiang Government Scholarship/ Ningbo Government Scholarship/ Ningbo University Scholarship
Program Description	<p>The program of microelectronics science and engineering equips students with basic knowledge, theory and experimental skill in microelectronics filed, design methods and manufacturing process of integrated circuits and semiconductor devices and design knowledge of circuits and system, so graduates are trained with basic theoretical research, application research, technology development and engineering technology. Graduates of this program will have basic knowledge architecture for engineering technology and research and develop ability. Graduates can adapt the rapid development of microelectronics technology. Furthermore, graduates have strong knowledge renewal ability and a wide science and technology reaction ability.</p>

Entry Requirements	<ol style="list-style-type: none"> <li>1. Application Form</li> <li>2. Image of passport ID</li> <li>3. High School diploma</li> <li>4. High school transcripts</li> </ol>

<b>Undergraduate -Logistics Management Program</b>	
Qualification Awarded	Bachelor's Degree
Faculty	Faculty of Maritime & Transportation
Discipline	Transportation Engineering
Specialty	Logistics Management
Teaching Language	English
Duration of Study	4 years
Academic Requirements	Ordinary high school education/ A level/ IB diploma/ SAT
Chinese Language Skills Required	No
Tuition Fees Per Year	18000 CNY
Applicable for Scholarship	Yes
Type of Scholarship	Zhejiang Government Scholarship/ Ningbo Government Scholarship/ Ningbo University Scholarship
Program Description	<p>Having the distinct advantage of being one of the first two colleges in Zhejiang Province and key specialty with characteristics of port and shipping logistics to offer this undergraduate degree, students of the major in logistics management study the distribution, material purchasing, warehousing and production operations. With Ningbo's status as one of top 10 ports in the world, students have exceptional opportunities to observe closely how cargoes move from port to port and what systems are necessary to keep them moving.</p> <p>With Ningbo University's degree completion of Logistics Management major, students are able to work in shipping companies, 3rd party logistics, international freight forwarding, ports and any other related companies.</p> <p>An undergraduate degree, combined with one of numerous internship opportunities, allows graduates to transition into a career or to further their studies by entering a graduate program.</p> <p>The core courses include Principles of Management, Principles of Statistics, Microeconomics, Logistics Information system, Logistics Operations Research, Logistics, Supply Chain Management, Fundamentals of Transportation, International Trade Practice, Port Management, Transport Economics, Transport Organization, Intelligence Transportation System, Traffic Planning and Design,</p>

	Container and Multi-modal Transport, Third-party Logistics Management, Container Terminal Operation and Management, International Shipping Management.
Entry Requirements	<ol style="list-style-type: none"> <li>1. Application Form</li> <li>2. Image of passport ID</li> <li>3. High School diploma</li> <li>4. High school transcript</li> </ol>

Undergraduate -Mechanical Engineering & Automation Program	
Qualification Awarded	Bachelor's Degree
Faculty	Faculty of Mechanical Engineering & Mechanics
Discipline	Engineering
Specialty	Mechanical Engineering & Automation
Teaching Language	English
Duration of Study	4 years
Academic Requirements	Ordinary high school education/ A level/ IB diploma/ SAT/ ILETS
Tuition Fees Per Year	20000 CNY
Applicable for Scholarship	Yes
Type of Scholarship	Zhejiang Government Scholarship/ Ningbo Government Scholarship/ Ningbo University Scholarship
Program Description	This program is designed for students to learn machine design, machine manufacturing, microelectronics technology, basic knowledge of information technology; as well as to learn electro-mechanical products and systems design, manufacturing and testing methods and related knowledge.
Entry Requirements	<ol style="list-style-type: none"> <li>1. Application Form</li> <li>2. Photocopy of Passport</li> <li>3. High School diploma</li> <li>4. High school transcript</li> <li>5. Recommendation Letters (if applicable)</li> </ol>

Bachelor of Music	
Qualification Awarded	Bachelor's Degree
Faculty	Faculty of Music
Discipline	Music
Specialty	Musical Performance
Teaching Language	English
Duration of Study	4 years
Academic Requirements	Ordinary high school education/ A level/ IB diploma/ SAT
Chinese Language Skills Required	HSK 3

Tuition Fees Per Year	22000 CNY
Applicable for Scholarship	Yes
Type of Scholarship	Zhejiang Government Scholarship/ Ningbo Government Scholarship/ Ningbo University Scholarship
Program Description	Bachelor of music including performance and education aiming to help the talented student to get on the performing level.
Entry Requirements	<ol style="list-style-type: none"> <li>1. Application Form</li> <li>2. Image of passport ID</li> <li>3. High School diploma and transcripts</li> <li>4. HSK 3 certificate</li> </ol>

#### Undergraduate -Architecture Program

Qualification Awarded	Bachelor's Degree
Faculty	Faculty of Architectural, Civil Engineering and Environment
Discipline	Engineering
Specialty	Architecture
Teaching Language	English
Duration of Study	5 years
Academic Requirements	Ordinary high school education/ A level/ IB diploma/ SAT
Chinese Language Skills Required	No
Tuition Fees Per Year	25000 CNY
Applicable for Scholarship	Yes
Type of Scholarship	Zhejiang Government Scholarship/ Ningbo Government Scholarship/ Ningbo University Scholarship
Program Description	<p>This Program provides students with the knowledge and skills of science, technology, humanities and art, and the ability to design buildings and solve architectural problems innovatively. Integration of three disciplines (architecture, urban and landscape) is central to the design component of the program. The courses aim to develop an understanding of the principles and techniques of architectural design and the ability to apply these principles and methods to create efficient buildings and environments. Students will work in every sector of construction industry, in areas such as architectural design, urban design, interior design, landscape design, architectural reservation, architectural technology, architectural research, architectural education, consultancy, construction management, etc.</p>
Entry Requirements	<ol style="list-style-type: none"> <li>1. Application Form</li> <li>2. Image of passport ID</li> <li>3. High School diploma</li> <li>4. High school transcript</li> </ol>

<b>MBBS-Bachelor of Medicine and Bachelor of Surgery</b>	
Qualification Awarded	Bachelor's Degree
Faculty	School of Medicine
Discipline	Medicine
Specialty	MBBS-Bachelor of Medicine and Bachelor of Surgery
Teaching Language	English
Duration of Study	6 years
Academic Requirements	Ordinary high school education/ A level/ IB diploma/ SAT/ ILETS
Chinese Language Skills Required	No
Tuition Fees Per Year	30000 CNY
Applicable for Scholarship	Yes
Type of Scholarship	Zhejiang Government Scholarship/ Ningbo Government Scholarship/ Ningbo University Scholarship
Program Description	This Program provides students with the knowledge and skills of medicine, and the ability to diagnose and cure patients. Application of medical theories to practice is central to the study of the MBBS program. The medical courses aim to develop an understanding of the principles and techniques of medical diseases and the ability to apply these principles and methods to create efficient methods to alleviate or cure the diseases. Students will work in every sector of medical subjects, in areas such as internal medicine, surgery, gynecology & obstetrics, pediatrics, emergency medicine, imaging science, ophthalmology, dermatology, otolaryngology, infectious diseases.
Entry Requirements	<ol style="list-style-type: none"> <li>1. Application Form</li> <li>2. Photocopy of Passport</li> <li>3. High School diploma</li> <li>4. High school transcript</li> <li>5. Recommendation Letters (if applicable)</li> </ol>

<b>Undergraduate -Business Administration</b>	
Qualification Awarded	Bachelor's Degree
Faculty	Business School
Discipline	Science of Business Administration
Specialty	Business Administration
Teaching Language	English
Duration of Study	4 years
Academic Requirements	Ordinary high school education/ A level/ IB diploma/ SAT
Chinese Language Skills Required	No
Tuition Fees Per Year	18000 CNY

Applicable for Scholarship	Yes
Type of Scholarship	Zhejiang Government Scholarship/ Ningbo Government Scholarship/ Ningbo University Scholarship
Program Description	The program aims at fostering versatile, innovational, and practical international business managerial professionals equipped with an international vision. English proficiency and business expertise in fields of trade, management and research prepares the students for both business and government positions.
Entry Requirements	<ol style="list-style-type: none"> <li>1. Application Form</li> <li>2. Image of passport ID</li> <li>3. High School diploma</li> <li>4. High school transcripts</li> </ol>

#### Undergraduate -International Economy and Trade

Qualification Awarded	Bachelor's Degree
Faculty	Business School
Discipline	Applied Economics
Specialty	International Economy and Trade
Teaching Language	English
Duration of Study	4 years
Academic Requirements	Ordinary high school education/ A level/ IB diploma/ SAT
Chinese Language Skills Required	No
Tuition Fees Per Year	18000 CNY
Applicable for Scholarship	Yes
Type of Scholarship	Zhejiang Government Scholarship/ Ningbo Government Scholarship/ Ningbo University Scholarship
Program Description	The program focuses on developing the basic theories, knowledge and skills in international economics and trade, learning the present situation of development of economy and trade in modern China and world, and being familiar with the international trade law and regulations which makes graduates be capable of solving practical international trade issues.
Entry Requirements	<ol style="list-style-type: none"> <li>1. Application Form</li> <li>2. Image of passport ID</li> <li>3. High School diploma</li> <li>4. High school transcripts</li> </ol>

#### Undergraduate -Finance

Qualification Awarded	Bachelor's Degree
Faculty	Business School
Discipline	Applied Economics

Specialty	Finance
Teaching Language	English
Duration of Study	4 years
Academic Requirements	Ordinary high school education/ A level/ IB diploma/ SAT
Chinese Language Skills Required	No
Tuition Fees Per Year	18000 CNY
Applicable for Scholarship	Yes
Type of Scholarship	Zhejiang Government Scholarship/ Ningbo Government Scholarship/ Ningbo University Scholarship
Program Description	The program aims at training senior specialists engaged in financial business, operation and management in banks, financial institutes and other foreign-related departments, or engaged in education and research in universities and scientific research units.
Entry Requirements	<ol style="list-style-type: none"> <li>1. Application Form</li> <li>2. Image of passport ID</li> <li>3. High School diploma</li> <li>4. High school transcripts</li> </ol>

Undergraduate -Accounting Program (CPA Canada)	
Qualification Awarded	Bachelor's Degree
Faculty	Business School
Discipline	Science of Business Administration
Specialty	Accounting (CPA Canada)
Teaching Language	English
Duration of Study	4 years
Academic Requirements	Ordinary high school education/ A level/ IB diploma/ SAT
Chinese Language Skills Required	No
Tuition Fees Per Year	<ol style="list-style-type: none"> <li>1. Basic tuition:18000/year;</li> <li>2. 3300/course for totally 9 core courses</li> </ol>
Applicable for Scholarship	Yes
Type of Scholarship	Zhejiang Government Scholarship/ Ningbo Government Scholarship/ Ningbo University Scholarship
Program Description	Accounting Program (CPA Canada Concentration), co-established by NBU and CPA Canada in 2008 and supported by Ningbo municipal government, adopts a dual-certificate module of elite training and transplant CPA Canada training courses into an accounting program. It is listed in the first group of municipal service-oriented key educational programs.
Entry Requirements	<ol style="list-style-type: none"> <li>1. Application Form</li> <li>2. Image of passport ID</li> <li>3. High School diploma</li> </ol>

#### 4. High school transcripts

##### Undergraduate -Computer Science

Qualification Awarded	Bachelor's Degree
Faculty	The Faculty of Electrical Engineering and Computer Science
Discipline	Engineering
Specialty	Computer Science
Teaching Language	English
Duration of Study	4 years
Academic Requirements	Ordinary high school education/ Good English
Chinese Language Skills Required	No
Tuition Fees Per Year	20000 CNY
Applicable for Scholarship	Yes
Type of Scholarship	Zhejiang Government Scholarship/ Ningbo Government Scholarship/ Ningbo University Scholarship
Program Description	The aim of the program is to train the students in mastering general as well as some specialized computer-system-related knowledge including programming language, computer architecture, database, algorithm development, software design, and computer network.
Entry Requirements	<ol style="list-style-type: none"> <li>1. Application Form</li> <li>2. Image of passport ID</li> <li>3. High School diploma</li> <li>4. High school transcript</li> </ol>

##### Undergraduate -Product Design

Qualification Awarded	Bachelor of fine arts
Faculty	Pan Tianshou Arts and Design Academy
Discipline	Art Design
Specialty	Product Design
Teaching Language	English
Duration of Study	4 years
Academic Requirements	Ordinary high school education/ A level/ IB diploma/ SAT
Tuition Fees Per Year	22000 CNY
Applicable for Scholarship	Yes
Type of Scholarship	Zhejiang Government Scholarship/ Ningbo Government Scholarship/ Ningbo University Scholarship
Program Description	Relying on the advantages of creative industries in Ningbo City and the deep integration with professional courses, the major has a unique way --enterprises to purchase courses, with Hefeng Creative Square practice base. The major has human-computer lab, appliance lab, color lab, 3D printing

	lab and photography lab. Main courses: History of design, Ergonomics, Product design procedure and method, Two-dimensional product design, Modeling and rendering, etc. Students in this major will have deep understanding in culture, broad international perspective and high aesthetic ability to improve the product and service through creative and innovative product design. Designs jobs in appliances, equipment, stationary, LED, electronics, medicals are all good to choose.
Entry Requirements	<ol style="list-style-type: none"> <li>1. Application Form</li> <li>2. Image of passport ID</li> <li>3. High School diploma</li> <li>4. High school transcripts</li> </ol>

Undergraduate -Fashion Design	
Qualification Awarded	Bachelor of Fine Arts
Faculty	Pan Tianshou Arts and Design Academy
Discipline	Art Design
Specialty	Fashion Design
Teaching Language	English
Duration of Study	4 years
Academic Requirements	Ordinary high school education/ A level/ IB diploma/ SAT
Tuition Fees Per Year	22000 CNY
Applicable for Scholarship	Yes
Type of Scholarship	Zhejiang Government Scholarship/ Ningbo Government Scholarship/ Ningbo University Scholarship
Program Description	<p>Fashion design will help students to learn the principles of fashion design and understand how they undertake the fashion design process from an idea to a ready-to-wear garment.</p> <p>This course covers the following subjects: Fashion Design, Fashion Drawing and Illustration, Pattern Making, Garment Sewing and Textiles. 	high employment rate.
Entry Requirements	<ol style="list-style-type: none"> <li>1. Application Form</li> <li>2. Image of passport ID</li> <li>3. High School diploma</li> <li>4. High school transcripts</li> </ol>

## Undergraduate Programs in French

Undergraduate -Tourism Management Program	
Qualification Awarded	Bachelor of Tourism Management
Faculty	Sino-European Institute of Tourism and Culture
Discipline	Management
Specialty	Tourism Management
Teaching Language	French
Duration of Study	4 years
Academic Requirements	Ordinary high school education/ A level/ IB diploma/ SAT
Tuition Fees Per Year	24000 CNY
Applicable for Scholarship	Yes
Type of Scholarship	Zhejiang Government Scholarship/ Ningbo Government Scholarship/ Ningbo University Scholarship
Entry Requirements	<ol style="list-style-type: none"> <li>1. Application Form</li> <li>2. Image of passport ID</li> <li>3. High School diploma</li> <li>4. High school transcripts</li> </ol>

## Undergraduate Programs in Chinese

Bachelor of Chinese Language	
Qualification Awarded	Bachelor' s Degree
Faculty	College of Liberal Arts
Discipline	Literature
Specialty	Bachelor of Chinese Language
Teaching Language	Chinese
Duration of Study	4 years
Academic Requirements	Ordinary high school education;Good at English
Tuition Fees Per Year	18000 CNY
Applicable for Scholarship	Yes
Type of Scholarship	Zhejiang Government Scholarship/ Ningbo Government

	Scholarship/ Ningbo University Scholarship
Program Description	This program adopts the credit system and its courses are divided into two modules, namely, Business Chinese and Chinese Education. The overseas students who complete the required courses and obtain both the corresponding credits and the certificate of HSK can be granted permission to graduate with the graduation certificate of the undergraduate program. Those who have met the above requirements and passed the thesis defense can obtain the degree of Bachelor of Arts.
Entry Requirements	<ol style="list-style-type: none"> <li>1. Application Form</li> <li>2. Image of passport ID</li> <li>3. High School diploma</li> <li>4. High school transcripts</li> <li>5. HSK 3 certificate</li> </ol>

Undergraduate -Environmental Design	
Qualification Awarded	Bachelor of fine arts
Faculty	Pan Tianshou Arts and Design Academy
Discipline	Art Design
Specialty	Environmental Design
Teaching Language	Chinese
Duration of Study	4 years
Academic Requirements	Ordinary high school education; Good at English
Tuition Fees Per Year	22000 CNY
Applicable for Scholarship	Yes
Type of Scholarship	Zhejiang Government Scholarship/ Ningbo Government Scholarship/ Ningbo University Scholarship
Program Description	本专业学生要系统掌握环境设计理论，并在专业实践和社会实践方面具有较强的能力。具有扎实的艺术造型基础，熟悉本专业的施工工艺及材料应用，了解本学科的前沿发展。通过室内空间设计、景观环境设计、公共艺术设计等三个专业方向专业技能的基本训练，熟悉本专业方向的设计过程、施工工艺及市场运作，具备较强的实践能力、工作能力和创新创业能力。
Entry Requirements	<ol style="list-style-type: none"> <li>1. Application Form</li> <li>2. Image of passport ID</li> <li>3. High School diploma</li> <li>4. High school transcripts</li> </ol>
